## SPORTSMEN MEET

The spring meeting of the Pennsylvania Federation of Sportmen's Clubs was held in Meadville. One of the subjects of discussion was the three openings on the Pennsylvania Game Commission board of directors. Governor Rendell is delaying the appointments and has not revealed the applicants names. The county and state have been putting pressure to find out why. The future of hunting can, and will hang in the balance, and what direction it will eventually take.

### CITIZENS ADVISORY COMMITTEE

At the last meeting of the Citizens Deer Advisory Committee, yours truly helped tabulate the results of the surveys. Over two hundred were received from farmers in Wildlife Management Area 1-A. Only one was for reducing the deer herd. They stated that they have more damage from raccoons, woodchucks, and yes, bear, than they do from deer. The consensus was the deer herd should be increased thirty to fifty percent.

Yes ?

No ?

### BEAR WHERE?

Mercer County Wildlife Conservation Officer Larry Hergenroeder and a club member, live trapped a bear in Findley Township and released it in Forrest County. He estimated it will weigh about four hundred pounds come fall.

*QUOTE:* In light of the present financial crisis, it's interesting to read what Thomas Jefferson said in 1802: Banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks will deprive the people of all property until their children wakeup homeless on the continent their fathers conquered. Sound familiar to what is happening in America today?

### MEMBERSHIP CARDS

As you know the combinations for the locks are on the reverse side of the membership cards. This was designed to encourage everyone to have them while at the club.

Due to unauthorized people using club grounds we are asking our members to display their memberships while here. A fishing license holder works well.
