

MARCH

2009

**TURKEYS GALORE!**

Yours truly has seen numerous flocks of turkeys. Some with the biggest beards I've ever seen.

**GLOBAL WARMING?**

According to Young-stown weather service, this is the seventh snowy winter on record. So much for Al Gore's GLOBAL WARMING.

**Membership Cards**

As you know the combinations for the locks are on the reverse side of the membership cards. This was designed to encourage everyone to have them while at the club.

Due to unauthorized people using club grounds we are asking our members to display their memberships while here. A fishing license holder works well.

### Observations

We had a blue heron on the club pond the other day. A sure sign that spring is coming.

The water is now back on. Thanks to all who worked to unfreeze the pipes.

### THE NEWS MEDIA

As a final thought the news media has been saying the anti-gun and Second Amendment issue is dead. Yet, Nancy Pelosi stated it will be brought up later, after Obama's so called stimulus bill. We must remain vigilant as gun owners. The anti-gun bills will be coming again.
