NEXT MEETING 14 September 2009 7 P.M.

PISTOL/RIFLE SHOOT

Next shoot scheduled
is
20 September 2009

Hello Sportsmen and Women,

The Stoneboro Fair is over and the Howard Patton building was well attended. Many thanks to all of you who generously gave your time on behalf of the Pardoe Sportsmen's Association and the Mercer County Federation of Sportsmen. The fair showcased the bounty of our local farmers, and now it is time to harvest Mother Nature's bounty. I have been hearing reports of some nice racks that have been spotted. Our WCO Larry Hergenroeder, picked up a buck on Route 318 that weighed 250 pounds!

On 13 October 2009 we will be starting a Winchester/NRA Junior Rifle Course ages 12 and up. For further details contact Marcus Kohan at 724-748-3924.

On our Friday night fun shoots we will be starting a bullseye pistol league. This will be on 2 October 2009 and will be center fire or .22 caliber, your choice.

By the time you read this, Scott Carmichael and crew will have completed another Hunter/Trapper Education Course at the club.

The guys are working on the shelter in the pistol pits and the archery stand.

At the August meeting, Mr. John F. Vith, Jr. presented a talk on a course for pistol permits through the state of Utah, which allows you to carry concealed in 33 states.

Votes were taken on resolutions from the member clubs in the Pa. Federation of Sportsmen and will be presented at the fall convention in Altoona. On 13 September 2009 the northwest division of the Federation will meet at the PA Game Commission building in Franklin. The meeting starts at 1:00 P.M.

On 9/11 remember to take a few minutes and reflect on those who died that day.

See you at our meeting on 14 September, 7 P.M.

MEMBERSHIP CARDS

As you know the combinations for the locks are on the reverse side of the membership cards. This was designed to encourage everyone to have them while at the club.

Due to unauthorized people using club grounds we are asking our members to display their memberships while here. A fishing license holder works well.

***NON MEMBERS SHOULD BE ASKED TO LEAVE OR
PURCHASE A MEMBERSHIP!***

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.

Caption describing picture or graphic.
