Hello Sportsmen and Women,

The new year is here. We have gone from having a record year of rain to being smacked by Ole Man Winter with snow and cold.

Our club election was held at our December meeting and congratulations to the newly elected officers and board members.

Not all of the bucks were taken in the deer season. While traveling to the club a few nights ago, a nice 6 point walked across the road in front of yours truly.

REMINDER: When done shooting inside, please close the windows and vents to save on the heat.

Marcus Kohan broached the idea of having a family picnic in the summer. Dates and details to follow.

The Pennsylvania Federation of Sportsmen's Clubs has a deal going that if we can get thirty members of our club to become e-members, they will wave our state dues. One of the major benefits is receiving timely notices of bills pending in Harrisburg, both pro-gun and anti-gun. Hunting and fishing issues are scrutinized as well. If interested please contact Shawn Myers or the Secretary so we may send them in as a bundle.

PLEASE!!! Do not drive on the ranges! With all of the rain we've had the ground is extremely soft.
